Yes, another year has come and gone. It is four years since the Limited and General Licences were amalgamated at 0000 NZST on Thursday the 17th of June 2004.

Please join Branch 74 in celebrating the anniversary, by checking in as above.

Thanks must go to Fred Johnson, the NZART ALO at the time and the current Advisor to the Wellington VHF Group, who bought this significant improvement in Amateur licence conditions..
